Dance! Gymnastics! Cheerleading! Music! **Price List & How to Enroll!**

1. Select the classes you want from our class schedule, and fill in the registration form...our managers can assist you!
2. Select your tuition amount by determining the number of classes you are registering for and adding 16.00 for each 1/2 hour of classes after the 1st 1/2 hour fee of 36.50. See below *
3. Select your method of payment: E-Z pay with Checking (preferred) or Visa/MasterCard/Discover or pay monthly with a credit card back-up. We'll just charge it to your card if you don't make your tuition payment by the first day of the month. This way, you won't be charged any late fees. Our E-Z pay option is customer friendly. If you want us to make changes to your account, please let us know by telephone or inform our customer service manager and we'll fill out a change order form for you and take care of it for you right away. Just be aware that if you make the request in the middle of the month, it will take effect at the beginning of the next month. All of our transactions are processed through local banking institutions and credit card service agencies and not through large online services. Please give us at least 10 days notice for all changes.
4. To reserve your class selections, please pay the once yearly registration fee of 28.50 and your first month's tuition. Please note: First Child registration: 28.50, sibling registration: 21.50 third sibling, etc.: no registration fee.
5. In your studio packet: you will receive a receipt for your payment which will guarantee your placement onto class rolls. We will give you a copy of the class schedule with your classes highlighted for you and a payment reminder card with your monthly payment amounts filled in for you as a reminder for E-Z pay accounts.

***Class Fees:**

1st 1/2 hour: 36.50 per month (for example a 1/2 hour ballet class once a week)
for every 1/2 hour added after that, just add 16.00 to your tuition amount!

Example: 1/2 hour of ballet + 1/2 hour of tap taken once a week is 1 hour of class time.
The fee is 36.50 + 16.00 = 52.50 per month for 1 hour of instruction 1 time per week.
Adding a 3rd 1/2 hour class adds another 16.00 per month, and so on.

Any classes missed can be made up on another day if a comparable class is available. Otherwise, the class is forfeited.

Students are encouraged to enroll in several different types of classes to hasten their learning. Ballet is the best foundation class for any style of dance curriculum. Tap teaches basic rhythms and counting to the music. Jazz & Hip Hop are great for stretching and building strength and co-ordination. Tumbling enhances gross motor skills for young students.

Note: Registration and Tuition Fees are non-refundable. Recital Costumes are special order items and are therefore non-refundable.

Music lessons are currently available at our Sarver location
